Facebook: Sliding H Ranch

Jason & Alyssa Hillman originate from NW Oklahoma and both have agricultural backgrounds. Jason became involved in the horse production arena following college with a degree in Animal Science, as well as a Masters in Psychology. Alyssa is a 4th generation rancher and a native to Freedom, OK. Together they own and operate a successful counseling business while running their cow/calf operation. They keep very busy raising two growing cowhands, Sander (11) and Stran (8). Both boys are taking a huge interest in the ranch operations and are very involved in livestock judging and horse showing.

"Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight." - PROVERBS 3:5-6

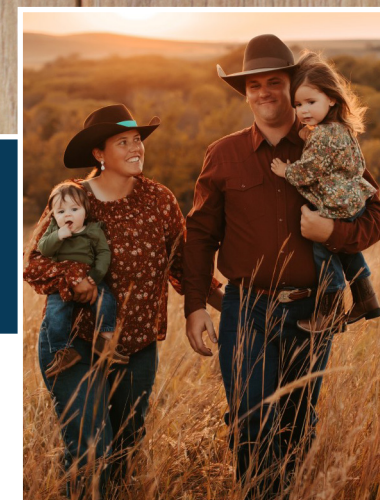

MEET OUR TRAINER!

We would like to introduce you to our trainer, Tom Beatty. Tom came to us in April of 2020 from northeast Iowa. The first day Tom arrived he was working cattle with us. To say he's been thrown head first into the mix is a bit of an understatement. He works with the colts from weanlings to yearlings to riders. He puts in their ground work and then moves them to riding. He has become a member of the family, not only helping us with the horses, but also on the cattle side of our ranch as well as Alyssa's family's operations. He also helps to wrangle these boys of ours in his down time.

Welcome to Silver Creek Land & Cattle located in Burden, KS. We are Elliott & Morgan Julius. Elliott had a love of horses from a young age but never got the chance to own any until 2012 and the love only grew from there. Morgan grew up all around the livestock industry but her main love is cattle; but those cut little foals running around are a close 2nd! We bought our first filly from Jason with Sliding H Ranch in 2016 as a weanling and started building our broodmare band from there. We strive to raise a versatile high quality ranch horse that exhibits great conformation, cow-sense, disposition, speed and color. We stay busy with our two young daughters: Riyatta who is 4 and Blaire who is 2; while also running our cow-calf operation. We are making the kind of horse for a full days work around the ranch.

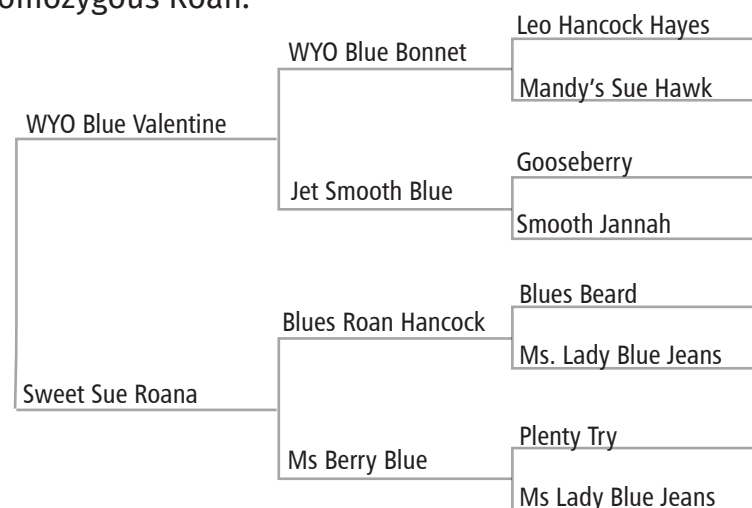

Pawnee Ridge Ranch - Weston Hurst

Phone: 307-631-5088 realbronc@icloud.com
Facebook: Pawnee Ridge

At the Pawnee Ridge Ranch our goal is to cross Blue Valentine lines back crossed to High Rolling Roany lines. To produce big gentle capable horses. To preform in the arena and on the ranch. Our small scale breeding program allows us to ride and be very selective on the horses we breed. Foals are imprint trained have frequent interaction and halter trained early on to be able to make a smooth transition to bonding with humans.

REFERENCE SIREs

Blue Chic Magnet - "Goose" (2012)

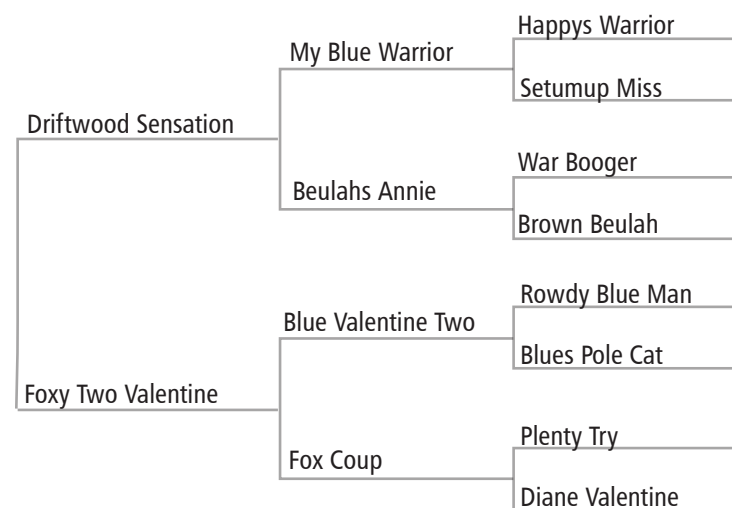

In 2013, Sliding H Ranch purchased Goose at the Come To The Source Sale. He has exceeded our expectation from his first and has been a phenomenal using horse and better sire. He stays calm sorting cattle, pulls hard from the horn, and is very athletic. Goose had been an excellent producer of foals with great minds and conformation. As an added bonus, Goose is Homozygous Black and Homozygous Roan.

REFERENCE SIREs

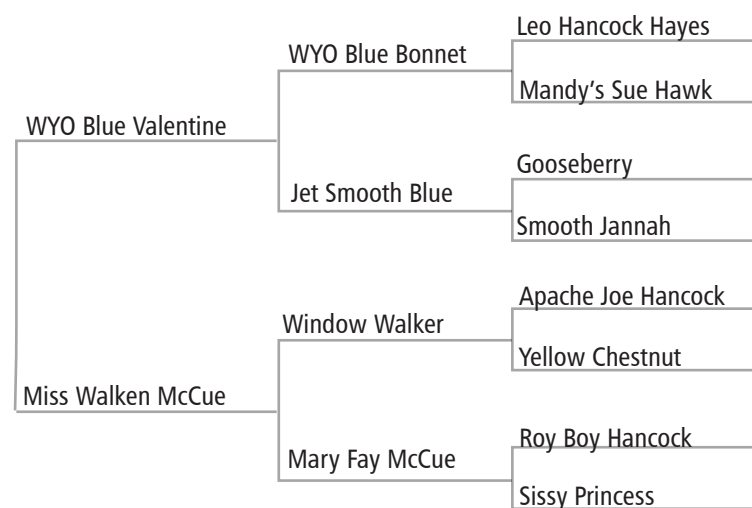

Foxy Blue Sensation - "Poncho" (2019)

"Poncho" is one of our top using horses at just 4 years old, he excels in roping with all the speed you could want. His first offspring offered will be this year. He is a gentleman to be around and standing 15.1hh and 1200 pounds.

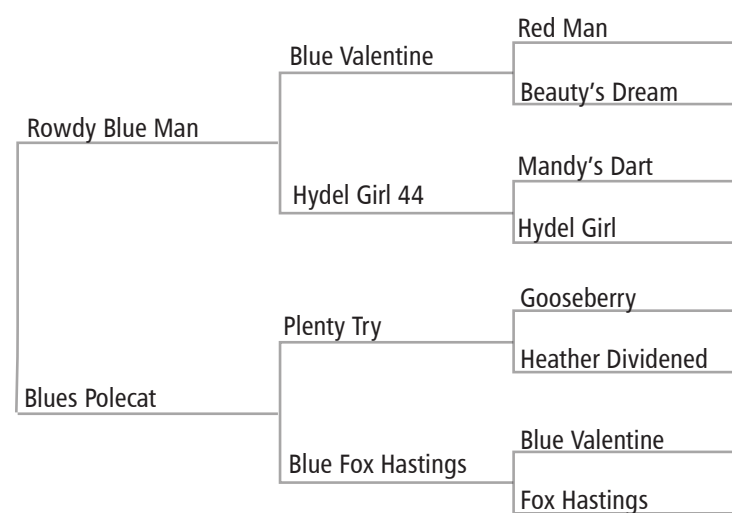

Mr. Polecat - "Polecat" (2011)

Sliding H Ranch was fortunate enough to purchase half of this outstanding stallion with Dick and Dianne. He was bred to mares for the first time in 2019 and we have been very pleased with his first foals. Polecat has been used in the arena and pasture. He will continue to be used heeling and roping calves in the arena when he isn't breeding mares. Polecat is very quick-footed, fast and reads a cow well. He is very quiet and level headed.

Blue Valentine Two (1997)

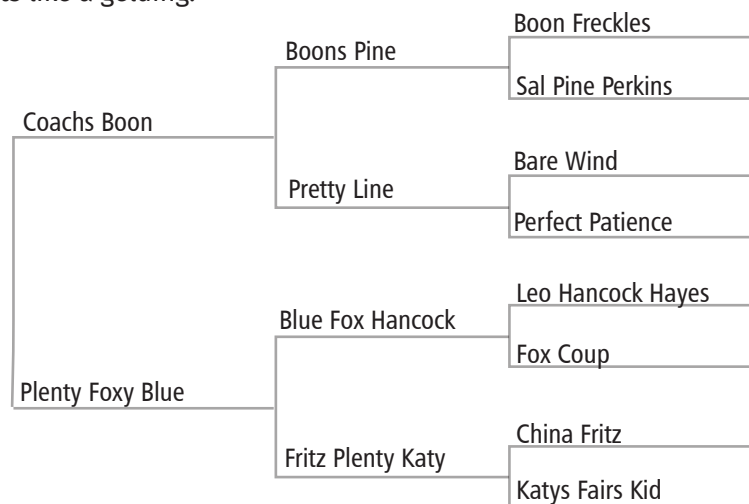

This horse meets out criteria for preserving the Blue Valentine bloodlines. His pedigree works with all our mares. He's 50% Blue Valentines and the extra Plenty Coup is a bonus. Chip Merritt remembers roping calves on Rowdy Blue Man. Blue Fox Hastings was a full sister to Gooseberry.

REFERENCE SIRES

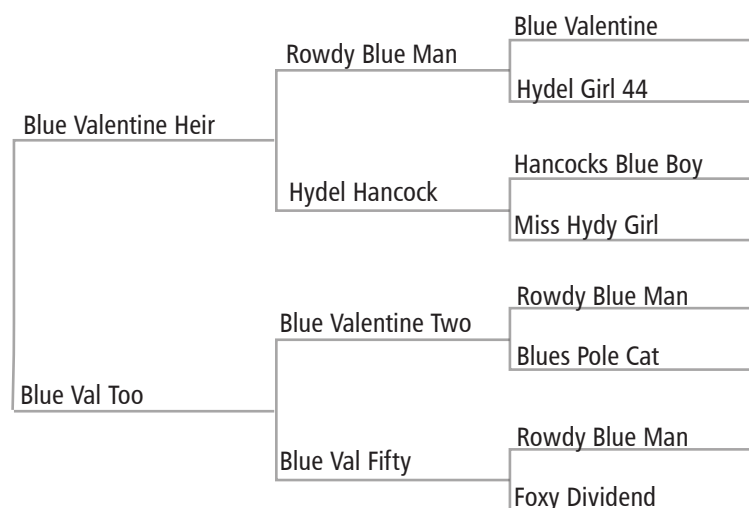

Boons Blu Fox - "Bullet" (2018)

We are very excited about this young stallion and his future as a riding horse as well as his impact in our breeding program. His first foal crop hit the ground this year and they exceeded our expectations. Bullet's sire and dam have played a huge part of building our program. This stallion is following in their shoes. Bullet has great speed, cow sense, conformation, and acts like a gelding.

Blue Valentines Heir - "Coffee" (2019)

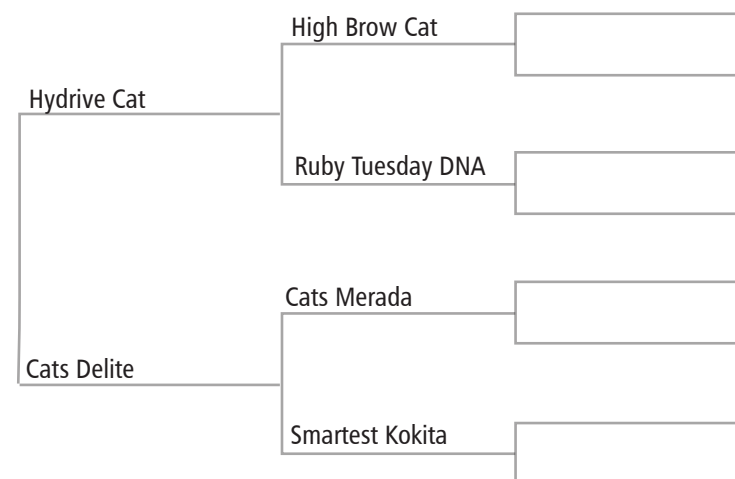

We are very blessed to add a high percentage stallion that has great conformation, disposition, and athleticism. Coffee has plenty of speed to catch cattle, as well as can move his feet laterally to sit down and sort cattle with ease. We are really enjoying this young stallion. 52.34% Blue Valetine, 50.00% rowdy Blue Man, 26.37% Red Man, 17.58% Joe Hancock

REFERENCE SIRES

LK Shutup And Drive

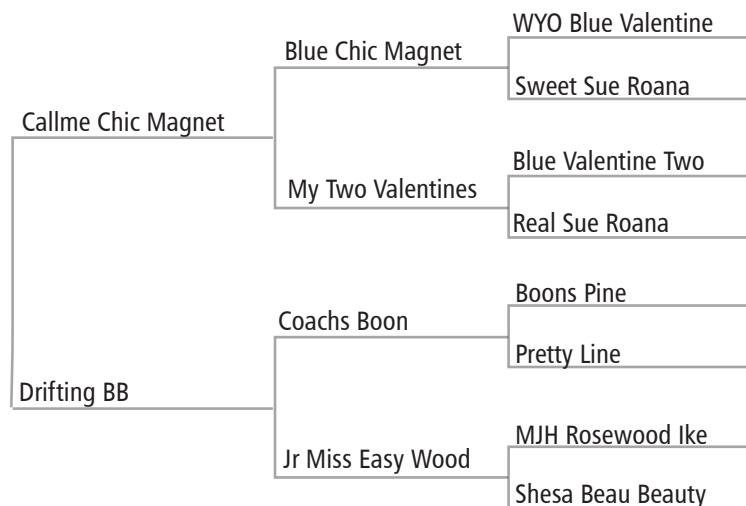

This stallion's first foal crop is turning 4 this year and we are very pleased how they are turning out. We have been overly satisfied with how he is crossing on both foundation bred mares and modern bred mares. All the foals have shown great athletic ability, have been easy to train, and have the conformation we are striving for.

This filly is very well balanced, moves smooth in the pasture, and is bred to have power and speed. This filly is out of a mare we kept to replace our best producing Driftwood mare in our program and Coachs Boon made a giant impact on our program.

TO Rain or Shine

FOAL DATE: 04-26-2023
SEX: Stallion
COLOR: Sorrel
LOCATION: Alva

Rain or Shine is an outstanding colt with moves and looks to match. We have ridden the mares all the way back on this colt's papers. Strait Shootin K was a big stout mare that was an eye catcher as a rider and is the first they notice in the brood mare band. Strait Harley was family raised as well and the mare I competed on throughout my high school and college years in every event and then taught all my kids to rodeo. This should be an outstanding colt.

Shining Blue Chic

FOAL DATE: 03-26-2023
SEX: Filly

This cross is new for us but has worked great in the 3 foals this cross has produced. This filly is showing to have a great mind, good speed, and a great disposition. We can't say enough about how our Coachs Boon daughter have crossed back on our Blue Valentine studs.

7

Blue Lady Polecat

This filly is BIG, stout and has ranch/head horse written all over her (might be the one you sneak away and run barrels on too). She has a wonderful personality with the size and bone to rope anything you need in the pasture and the athleticism to perform in the arena. This mare has really produced wonderful using horses for us through the years that have excelled in every direction.

SCLC Blue Magnet

Gorgeous blue filly with a big white blaze with exceptional conformation. This gal is sure to be big. Sire is standing 15.1 hh and 1200lb as a 4 year old in his working clothes, and her Dam is 15.2 hh and 1400lb. "Kate" has been an in-your-pocket filly since day one.

TO Wily Drivin Kat

FOAL DATE: 04-24-2022
SEX: Mare
COLOR: Sorrel
LOCATION: Alva

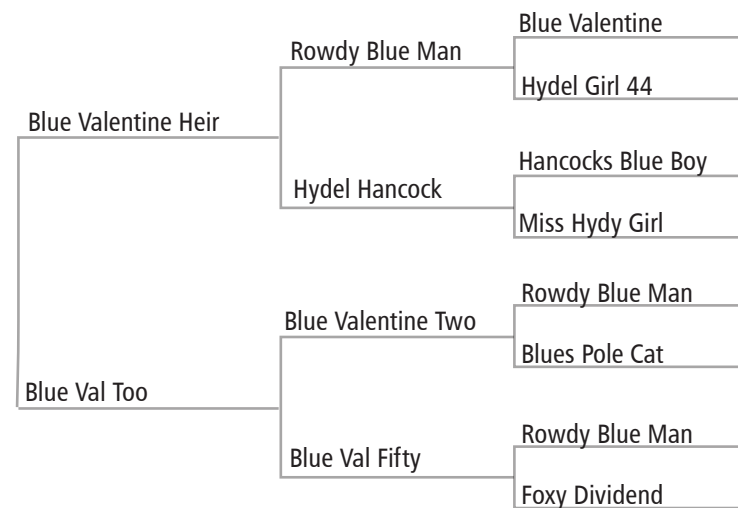

What is that one?? That is what everyone asked last year when they were looking at all my colts. Cat is the run cow cross that everyone is after. Cat has a full sister in Texas tearing them up in the barrels and poles as a four yr old. We have a five yr old full brother that has a huge stop and more run than this old man is comfortable with. If you really study the papers on this colt I think you will be happy with this cross.

11

Valentines Heir

FOAL DATE: 06-25-2021
SEX: Stallion
COLOR: Sorrel
LOCATION: Freedom

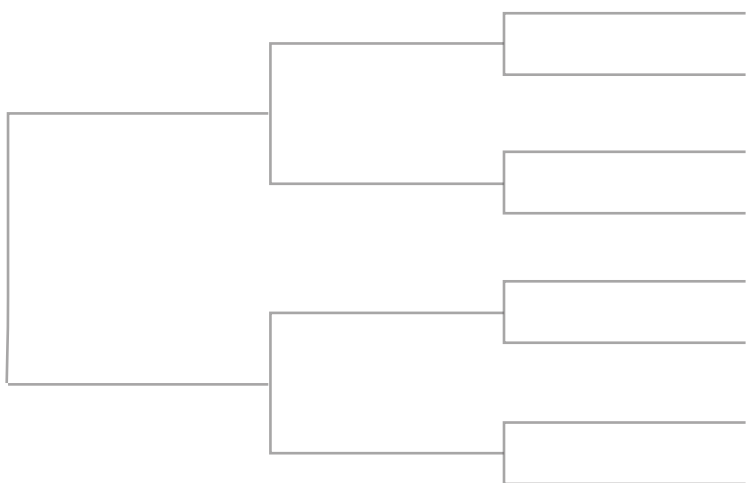

We are standing a full brother to this horse and that is the only reason we are offering him. This guy is a dream to ride with all the power, speed, and brains you could ask for of a young horse. He is big, stout, and very willing. He will make an outstanding stallion for any program but don't overlook him just because he is a stallion. He has a spot in his eye that doesn't affect him at all. It will be vet checked by sale time and updates will be added from our vet.

10

Wilbur

FOAL DATE: 2008
SEX: Pony
COLOR: Black & White
LOCATION: Freedom

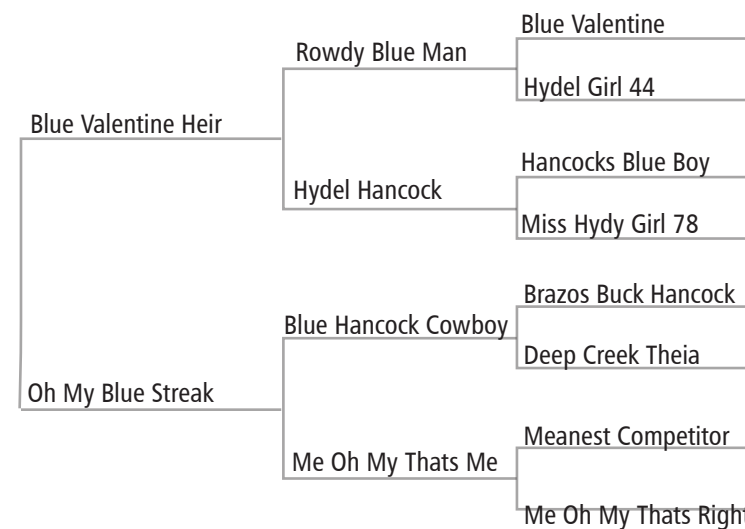

Wilbur has been amazing for us and there will be tears when he leaves for his next young rider. It takes a special pony to survive in a ranch that raises horses and Wilbur has exceeded all expectations and more. He rides like a horse, loves kids, and can ride with the big horses all day. Wilbur is safe enough for a kid with NO experience and rides good enough to gather cows on the ranch and help "bank robbers carry their loot away from the hideout" as our boys tell us.

12

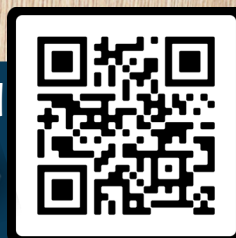

Oh My Heir

FOAL DATE: 06-17-2021
SEX: Mare
COLOR: Blue Roan

Rooster

FOAL DATE: 2006
SEX: Gelding - Grade
COLOR: Blue Roan
LOCATION: Freedom

Stran(8yrs old) has been on the fence to offer Rooster this year or not. Rooster has been Stran's main ranch horse and he is ready to offer him to a cowboy or cowgirl looking to their next trail horse and step-up horse. Rooster is gentle, loves people, and can go all day. Stran has gathered cattle on him, shown him in 4H horse shows, played around lightly tracking the roping sled, and has taken him on trail rides. Rooster will be great for somebody to enjoy learning to ride, trail riding or light ranching work. When ridden without shoes, he can get a little tender footed.

Plenty Foxy Blue

FOAL DATE: 04-04-2008
SEX: Mare
COLOR: Blue Roan
LOCATION: Freedom

This has been the hardest decision for us to make in offering this mare this year. Foxy has had a major impact on our program in producing some of our best producing fillies and young stud prospects. Foxy is sired by the great Blue Fox Hancock, who has over 700 AQHA points and speaks for himself. Foxy is a big, stout blue roan mare. We have not had her color tested, but she has only had blue roan and black foals (so, we would guess she is homozygous black). This mare is built just like you want and has the sweetest personality to go with it.
